

# 2019 TOWN OF SHERMAN NEWSLETTER

## 2020 Election News

Primary Election: Tuesday, February 18, 2020

Spring Election: Tuesday, April 7, 2020

Partisan Primary: Tuesday, August 11, 2020

General & Presidential: Tuesday, November 3, 2020

The local positions to be filled at the April election are:

Town Supervisor (Incumbent James Fahney)

Town Supervisor (Incumbent Robert Boehlke)

Nomination papers are available starting December 1, 2019 and are due by 5:00 p.m. on January 7, 2020.

Come to the town office for a Candidate Registration Packet if you are interested in running for any position, or download the forms on the website.

**Become an Election Inspector!** We are

looking for dedicated

team players wishing to join us as Election Inspectors for the 2020 – 2022 election cycle. We welcome those wishing to serve their community through the election process. We will provide training and information in preparation for the elections with lots of opportunity to help along the way. **High school students**, in good academic standing and U.S. citizens, can also serve as election inspectors if they are at least 16 years of age. This is a paid position, paying \$11/hour. Shifts on election day are 6:30 am to 12:00 pm, 12:00 pm to 4:00 pm, and 4:00 to end.

Please contact the town clerk ASAP if you are interested in serving!

### Voter Registration & Absentee Ballots

If you are new to the Town or have a new voter in the household, please visit: <http://myvote.wi.gov/> Here you will find links on everything that relates to voting in Wisconsin, from change of name or address to new voter information to requesting an absentee ballot! Super simple, and skip the long lines at the registration table on election day!

### A Note from the Town Clerk

Certain interest groups send out voter registrations and absentee applications; your clerk never will! They look as though they came from my office, and have incomplete or incorrect forms, causing us both frustration and unnecessary work. There are four elections next year and you can bet your mailbox will be full of them. Ignore them!! Simply visit <http://myvote.wi.gov/> for registering and absentee ballot requests. ✨

## Dog Licenses

- Spayed/Neutered \$6
- Not Spayed/Neutered \$13

State statutes require that all dogs five (5) months of age or older need to be vaccinated against rabies and licensed each year. To obtain a license for your dog, please mail to the clerk, or bring in person:

1. A current copy of the dog's rabies certificate (not a receipt from your vet showing that a vaccination was administered), and
2. A check or cash for the payment of the license. If paying by check, please write it separately from your tax payment.

Licenses issued after March 31<sup>st</sup> will include a \$10 late fee charge. ✨

## Where Do I Pay My Taxes?

To pay your **first installment** tax payments (due by Jan. 31, 2020):

- In person, at clerk's office during regular business hours.
- By mail. PO Box 88, Adell WI 53001. If you would like a receipt, you must enclose a self-addressed stamped envelope.
- At National Exchange Bank & Trust, Adell. If you would like a receipt, you must enclose a self-addressed stamped envelope.

To pay your **second installment** tax payments (due July 31, 2020):

- By mail to the county treasurer's office. Address is printed on your tax bill. If you would like a receipt, you must enclose a self-addressed stamped envelope.
- In person, at the county treasurer's office.

**Please do not send your second installment to the town clerk's office. Any 2nd installment payments will be returned to the sender.**

### TAX OVER PAYMENT REFUNDS

No refund is given, unless payment is over the full tax bill amount. Refunds will not be issued for amounts under \$5.00. ✨

**Silver Creek Fire  
Department**

Town of Sherman Residents,

I would like to take this time to thank all of our fire department supporters over the years. The Silver Creek Fire Department is always moving forward because people like you that support our fundraising efforts. Our fundraisers are always so well attended, and I have to thank you. Because of that, we do our best to accommodate the fire department with the best equipment, gear, and training possible. As you can imagine, much of this is very costly.

By now most of you have noticed the fire department's building addition. I am proud to say that we have built this without funds from the Town of Sherman. This entire addition is from donations and through fundraising efforts. For that again, I say Thank you!

This new building addition will undoubtedly help make our fire department a safer place. With our 30 members and 10 explorers, we have been dealing with very tight quarters. This addition will give us two more truck bays, a bathroom, as well as other administrative areas. It will free up our cramped areas, eliminate our double stacking of apparatus and make things safer for our firefighters, which is our number one concern.

With that, I would like to thank the officers, firefighters, women's auxiliary, and explorers of the Silver Creek Fire Department. You all spend a lot of your free time to help keep the Town of Sherman safe by being involved with the fire department. I hope you, the residents of the Town of Sherman, are as proud of the Silver Creek Fire Department and the people behind it, as I am, your Chief, Todd Stange.

Thank you,

Todd Stange, Chief

 memories, and all the blessings a heart can  
 know.*

From all of us at the Town of Sherman,

*Happy New Year!*

**Town of**  
**Sherman**  
**Welcomes**  
**JD Trucking**

Greetings Town of Sherman residents! My name is Peter DeGroff and I am the owner of JD Trucking of Waldo, Inc.; a family-owned trash and recycling company.

Your town board and JDT have worked out an agreement for JDT to operate the drop-off site on Pelishek Road. Your board decided to look for alternate options because they were being faced with huge increases from Advanced Disposal, soon to be Waste Management.

Rather than going with the expense of stationary compactors and large dumpsters, we will position our garbage trucks and dumpsters for a single-file "drive-thru" type of operation. We will have one truck for recycling and one truck for trash. We will have larger dumpsters for bulky items and scrap metal, and we will also be accepting electronic waste.

I want to reassure you that any changes we make at your drop-off will be geared towards a more user-friendly service. By setting up a single-file traffic pattern, we want to eliminate the foot traffic created with dumpsters located distances apart from each other. By loading and removing all trash and recycling at the end of each work day, we will eliminate all odors, flies and rodents. And, by promoting more attendant involvement with assisting in the unloading of trash and recycling, older and handicapped individuals can remain in their vehicle.

I would like to invite you to use the Waldo Site. There you can get rid of your trash and recycling Wednesday through Friday 9:00 am to

4:00 pm, and Saturday 9:00 am to 1:00 pm year-round. We hope to keep your experience with us quick, safe and pleasant.

I would also like to invite you to consider curbside pick-up. Right now, JDT is picking up by some of your neighbors. Our curbside service is weekly, and the monthly fee includes household trash, recycling and bulky item pick-up. (Bulky items consist of large furniture, mattresses, etc., or items that do not fit in containers. Does not include construction materials.) Dumpsters are also available.

Change is sometimes difficult but I believe in the Vince Lombardi quote: "Keep it simple stupid".

Unfortunately, it will be necessary to set rates for everything that is brought in for drop-off because Waste Management will be dictating to me and every municipality, business and individual the price for disposal of trash and fees for handling recycling. Please see the rate schedule for details.

JDT believes in giving back to the community. By donating your aluminum cans at the drop-off on Pelishek Road, we will donate 25¢ per pound to community clubs, volunteer fire departments, and worthy charities. We look forward to your suggestions.

I've been in business for almost 40 years. I've seen all of my local competition fail and go out of business. My business plan is to offer personalized service at prices that keep me in business. Constructive ideas are always welcomed and considered.

Please contact us at 920-528-7162, by email at [waldotrashman@gmail.com](mailto:waldotrashman@gmail.com) and follow us on Facebook: [facebook.com/jdwaldodisposal](https://www.facebook.com/jdwaldodisposal).

Thank you,

*Peter DeGroff and the JD Trucking of Waldo, Inc. family.*

# JD Trucking of Waldo, Inc.
